WASHINGTON- Congressman Spencer Bachus is pleased to announce that the Bibb County Municipal Airport will be receiving $228,337 in federal grant money.

This money will go to repair and re-pave the runway at the airport.

Re-paving the airport's runway will ensure that the surface is in satisfactory condition and will allow aircraft to operate safely and efficiently.

This grant was issued by the Federal Aviation Administration, which is an agency of the United States Department of Transportation.
