WASHINGTON (January 23) – Congressman Spencer Bachus (AL-6) issued the following statement on today's tornadoes and severe storms in Alabama.

"It is profoundly saddening that tornadoes and severe storms have once again caused loss and hardship for citizens in Alabama. Our thoughts and prayers are with all those who are suffering. Since this morning, I have been in contact with Governor Bentley, the White House, and FEMA to make sure that the State of Alabama can quickly receive any federal disaster resources it may need. Our Alabama delegation, as always, stands ready to assist in any way possible."
