

WASHINGTON- Congressman Spencer Bachus is pleased to announce that the Cities of both Brent and Centreville will use \$350,000 in federally appropriated money to improve sewer infrastructure.

Mayor Debbie Martin of Centreville and Mayor Mike Smitherman of Brent were both extremely happy with the news that their cities would benefit from federal funding when they spoke with Congressman Bachus.

"These funds were just another way to assist the people from Brent and Centreville. I am aware of how important improving sewer infrastructure is to attracting new industries, and I am just glad that I could help the people of Bibb County", said Congressman Bachus.
