

WASHINGTON: Congressman Spencer Bachus is pleased to announce that the Chilton County Sheriff's Department will receive \$200,000 in federally appropriated funds to help eradicate the drug methamphetamine.

"This drug has become one of the greatest hazards to the citizens of Chilton County and the State of Alabama. These funds are vital to help stop the use and production of this terrible drug", said Congressman Bachus.

Congressman Bachus secured funds for Chilton County under the 2004 Commerce, Justice, State, and Judiciary appropriations bill.
